

Thammasat University Announcement

Title: The Admission Application for Master of Science (M.Sc.) and

Doctor of Philosophy (Ph.D.) in Integrative Medicine (International Program)

Academic Year 2027

Thammasat University has authorized Chulabhorn International College of Medicine to select applicants for the Master of Science and Doctor of Philosophy in Integrative Medicine for the 2027 Academic Year. Details are as follows:

1. Available Programs for Admission

1.1 Master of Science in Integrative Medicine

1.1.1 Study Plan

Plan 1: Academic Plan

This plan focuses solely on a Thesis, which is equivalent to no fewer than 36 credits. The academic institution may require students to take additional non-credit courses or participate in other academic activities; however, students must achieve the performance standards specified by the institution.

1. Educational Background: Must hold a Bachelor's degree in Medicine, Dentistry, Pharmacy, Nursing, Thai Traditional Medicine, Physical Therapy, Applied Thai Traditional Medicine, Chinese Medicine, Science, or a related field from a university or institution accredited by the University Council.

2. GPA Requirement: Must have a cumulative GPA (GPAX) of no less than 2.75. Applicants with a GPAX lower than 2.75 must have at least 1 year of work experience in a related field.

3. International Students: Must meet the criteria specified in items 1 and 2. In cases where the applicant is a scholarship recipient, they must pass the selection criteria of the respective funding organization.

Coursework and Thesis The study plan consists of both coursework and a thesis. Applicant qualifications must comply with the Thammasat University Regulations on Graduate Studies, B.E. 2568 (2025), and meet the following specific requirements:

1. Educational Background: Must hold a Bachelor's degree in Medicine, Dentistry, Pharmacy, Nursing, Thai Traditional Medicine, Applied Thai Traditional Medicine, Chinese Medicine, Physical Therapy, Science, or a related field from a university or institution accredited by the University Council.

2. GPA Requirement: Must have a cumulative GPA (GPAX) of no less than 2.75. Applicants with a GPAX lower than 2.75 must have at least 1 year of work experience in a related field.

3. International Students: Must meet the criteria specified in items 1 and 2. In cases where the applicant is a scholarship recipient, they must pass the selection criteria of the respective funding organization.

4. Students enrolled in the Doctor of Philosophy in Integrative Medicine (International Program) at Chulabhorn International College of Medicine, Thammasat University, who fail the Qualifying Examination twice, are eligible to transfer to the Master's degree program. To receive the degree, the student must complete all coursework and thesis requirements according to the Master's degree curriculum structure.

1.1.2 Number of Admissions

3 students

1.2 Doctor of Philosophy in Integrative Medicine

1.2.1 Study Plans
