

Message from the Office of Student Affairs:

Updated: February 12, 2021

Dear CICM Community:

High-risk areas

An emerging cluster has been identified in Pathum Thani province. At this time the following have been noted as high risk areas:

- Suchart Market
- Pornpat Market and surrounding buildings

If you have questions or concerns regarding your travel, please contact the Student Affairs office. Please be aware of symptoms including fever, cough, sore throat, lack of smell/taste, nasal congestion or runny nose. If you suspect you have traveled on a flight, bus, or were in close proximity to a positive case, please contact the Ministry of Public Health. Avoid going to markets and other crowded areas at this time. Travel to Samut Sakhon province is prohibited.

Reopening of the Office of Student Affairs

The Office of Student Affairs and International Office will continue to stay with one staff member available daily during regular hours.

Hybrid Learning Model to continue through until otherwise noted

We encourage all those in the CICM community to be up front and honest regarding whereabouts or travel to high risk areas.

- Disciplinary action may be taken those who the violate the CICM code of conduct

We encourage you to monitor developments through the Ministry of Health and WHO websites. We will need your help. A few easy things we can all do include:

- Wash your hands for 20 seconds
- Use hand sanitizer
- Avoid shaking hands
- Disinfect frequently touched objects using a regular household cleaning spray or wipe
- Stay home
- Avoid touching your eyes, nose and mouth.
- We encourage social distancing when outside of the home at all times, this includes leaving 2 meters of space between individuals.
- Local transmission is still occurring, we encourage students to avoid crowded locations, bars, and pubs at this time.

CICM will continue to work with national and local officials to monitor potential risks. If conditions change, we will update our campus community. Please check our Facebook for updated information. www.facebook.com/CICMTUACTH
