

Message from the Office of Student Affairs:

Updated: March 20, 2020, 13.19

Dear CICM Community:

Work from home

The Office of Student Affairs personnel will initiate our work-from home program beginning March 23, 2020. One staff member will be present physically from 09.00-12.00 during Monday-Friday. For any in-person issues please visit us during that time. Otherwise we encourage alternative ways of communication as primary contact.

Advancement Ceremony Gifts

Gifts for our remaining students will be kept in safe place until classes resume at Thammasat University. We apologize for any inconvenience. Given the situation at hand, we've decided that postal service would not be a reliable option at this time.

Donations

Chulabhorn International College of Medicine is happy to receive donations any community members wish to provide. We also provide a portal to directly give to Thammasat University Chalerm Prakiat Hospital. Please contact Student Affairs for any inquiries.

Microsoft Team

If you have any issues with the online module, please contact Academic Affairs.

We encourage you to monitor developments through the Ministry of Health and WHO websites. We will need your help. A few easy things we can all do include:

- Wash your hands for 20 seconds
- Use hand sanitizer
- Avoid shaking hands
- Disinfect frequently touched objects using a regular household cleaning spray or wipe
- Stay home
- Avoid touching your eyes, nose and mouth.

CICM will continue to work with national and local officials to monitor potential risks. If conditions change, we will update our campus community. Please check our Facebook for updated information. www.facebook.com/CICMTUACTH
