

Message from the Office of Student Affairs:

Updated: April 27, 2020, 15.05

Dear CICM Community:

Work from home

We will continue to run our office via the Work From Home model. On May 1, 2020 further evaluation will be made whether an adjustment will be made.

International Elective

All incoming and outgoing International electives will be postponed until 2021. This includes those through the University and those under student's personal connection. At this time the medical student elective for third-year students has been postponed.

Donations

Chulabhorn International College of Medicine is happy to receive donations any community members wish to provide. We also provide a portal to directly give to Thammasat University Chalerm Prakiat Hospital. Please contact Student Affairs for any inquiries, we will do our best to accommodate your generosity during this difficult time.

Microsoft Team

If you have any issues with the online module, please contact Academic Affairs.

We encourage you to monitor developments through the Ministry of Health and WHO websites. We will need your help. A few easy things we can all do include:

- Wash your hands for 20 seconds
- Use hand sanitizer
- Avoid shaking hands
- Disinfect frequently touched objects using a regular household cleaning spray or wipe
- Stay home
- Avoid touching your eyes, nose and mouth.
- We encourage social distancing when outside of the home at all times, this includes leaving 2 meters of space between individuals.

CICM will continue to work with national and local officials to monitor potential risks. If conditions change, we will update our campus community. Please check our Facebook for updated information. www.facebook.com/CICMTUACTH

You can find updated information about COVID-19 disease activity and recommendations at these sites: WHO: Novel Coronavirus (2019-nCoV)
