

Message from the Office of Student Affairs:

Updated: March 14, 2020, 22.49

Dear CICM Community:

Byenior

Discussion is currently being made regarding the postponement of Byenior for 2020. Please stay tuned to our Facebook page for further information.

Person under investigation (PUI) at the Faculty of Science & Technology, Thammasat University, Rangsit

The Faculty of Science & Technology will be closed now until 27 of March. As more details are released we will update the CICM community.

Social Distancing

We encourage community members to follow social distancing by avoiding crowded areas and maintain distance from other individuals when feasible. Mass transit, shopping malls, markets, and congregations larger than 100 people should be avoided at this time. We can do a lot to make the impact of this disease less on the public.

We encourage you to monitor developments through the Ministry of Health and WHO websites. We will need your help. A few easy things we can all do include:

- Wash your hands for 20 seconds
- Use hand sanitizer
- Avoid shaking hands
- Disinfect frequently touched objects using a regular household cleaning spray or wipe
- Stay home when you are sick and avoid close contact with those who are sick
- Avoid touching your eyes, nose and mouth.

CICM will continue to work with national and local officials to monitor potential risks. If conditions change, we will update our campus community. Please check our Facebook for updated information. www.facebook.com/CICMTUACTH

You can find updated information about COVID-19 disease activity and recommendations at these sites: WHO: Novel Coronavirus (2019-nCoV)
