

Message from the Office of Student Affairs:

Updated: April 14, 2021

Dear CICM Community:

### **Community Case**

- A new case has tested positive for Covid-19 in our community, we wish them a speedy recovery. At this time, the CICM will provide details once formerly announced by the Ministry of Public Health, Pathum Thani. We ask that we display a level of courtesy to those involved.

### **CICM Covid-19 Dashboard**

+1 New Case

2 Total Cases

### **Extracurricular Activities**

All April activities have been postponed indefinitely.

**The Office of Student Affairs will move to a Work from Home model, April 16, 2021, this will stay into effect until April 30, 2021.**

**Shopping Centers will close at 09.00 across the country beginning tomorrow, April 15, 2021.**

**We encourage all those in the CICM community to be up front and honest regarding whereabouts or travel to high risk areas.**

- Disciplinary action may be taken those who the violate the CICM code of conduct

We encourage you to monitor developments through the Ministry of Health and WHO websites. We will need your help. A few easy things we can all do include:

- Wash your hands for 20 seconds
- Use hand sanitizer
- Disinfect frequently touched objects using a regular household cleaning spray or wipe
- Local transmission is still occurring, we encourage students to avoid crowded locations, bars, and pubs at this time.

CICM will continue to work with national and local officials to monitor potential risks. If conditions change, we will update our campus community. Please check our Facebook for updated information. [www.facebook.com/CICMTUACTH](http://www.facebook.com/CICMTUACTH)
