

Message from the Office of Student Affairs:

Updated: March 17, 2020, 16.19

Dear CICM Community:

Mock USMLE Examination

Students in medicine are eligible to take a Mock USMLE via the NBME self-assessments available on their website. After making an account, students should take an NBME self-assessment (we recommend test mode as this simulates actual testing environment. Students will be reimbursed for the cost (\$60) of the examination if the following criteria are met: The student will need to send a score receipt after completing the examination to Student Affairs prior to the deadline of March 31, 2020 at 17.00. Students must take the examination within the time from of March 19 – March 29, 2020. Receipts must be provided in full.

Advancement Ceremony Gifts

Gowns and gifts will be distributed to medical students tomorrow March 18, 2020 following their comprehensive exam. Dental students, CVS, and Clinical Technology students not on campus will have their gifts delivered via postal service.

Social Distancing, what to do now that classes are Virtual?

We cannot stress the importance of staying home during this uncertain time period. We advise against going to shops, restaurants, pubs, department stores for recreation. Flatten the curve involves staying away from any large crowds.

Study at **home**.

Microsoft Team

The online learning system is being prepared. All students should download the application and be prepared for a e-mail to simulate the program.

We encourage you to monitor developments through the Ministry of Health and WHO websites. We will need your help. A few easy things we can all do include:

- Wash your hands for 20 seconds
- Use hand sanitizer
- Avoid shaking hands
- Disinfect frequently touched objects using a regular household cleaning spray or wipe
- Stay home
- Avoid touching your eyes, nose and mouth.

CICM will continue to work with national and local officials to monitor potential risks. If conditions change, we will update our campus community. Please check our Facebook for updated information. www.facebook.com/CICMTUACTH
