

Message from the Office of Student Affairs:

Updated: March 19, 2020, 16.18

Dear CICM Community:

### **Library Closure**

Thammasat University library has been closed. Students may still check out requested books via an online module. This information will be posted shortly to our Facebook page.

### **Advancement Ceremony Gifts**

Dental, CVS, and Clinical Tech students are requested to provide us with an active mailing address. We will be sending your gifts via postal mail.

### **Social Distancing versus Quarantine?**

The Government of Thailand has already closed a large amount of entertainment venues for the next two weeks. We ask members of the community to do further. Avoid shopping malls, markets, restaurants or any place that does not allow patrons 1 meter of distance. If you have dental appointments and non-urgent medical appointments, please move them. The hospitals will soon be treating more and more Covid-19 patients and they need to be available for them to get treated quickly. Quarantine entails those who have close contact with suspected cases. Those individuals should stay at home and monitor their symptoms closely.

### **Microsoft Team**

If you have any issues with the online module, please contact Academic Affairs.

We encourage you to monitor developments through the Ministry of Health and WHO websites. We will need your help. A few easy things we can all do include:

- Wash your hands for 20 seconds
- Use hand sanitizer
- Avoid shaking hands
- Disinfect frequently touched objects using a regular household cleaning spray or wipe
- Stay home
- Avoid touching your eyes, nose and mouth.

CICM will continue to work with national and local officials to monitor potential risks. If conditions change, we will update our campus community. Please check our Facebook for updated information. [www.facebook.com/CICMTUACTH](http://www.facebook.com/CICMTUACTH)
