

Announcement from Chulabhorn International College of Medicine
Thammasat University
Scholarship Availability for Postgraduate Students, Academic Year 2021

Chulabhorn International College of Medicine is excited to announce the requirements for applicants interested in scholarships for the Academic Year, 2021.

1. Applicant Eligibility

- 1.1 A postgraduate student enrolled in one of the following programs: Integrative Medicine (International Program), Bioclinical Sciences (International Program), or Science in Social Gerontology (International Program), at Chulabhorn International College of Medicine.
- 1.2 Must have a GPAX of at least 3.00 from previous bachelor's degree and 3.25 for previous master's degree
- 1.3 Provide a minimum English proficiency test score of one of the following:
 - IELTS > 6.0
 - TU-GET (Paper-based > 550), (Internet-based > 79)
 - TOEFL ITP (Paper-based > 550), (Computer-based > 213), (Internet-based > 79) either one may be utilized.
- 1.4 No history of disciplinary action.
- 1.5 Not a current scholarship recipient.

2. Scholarship Coverage

Tuition fee exemption will occur until completion of degree requirements. Awardees will be as followed: 1 recipient from Integrative Medicine, 1 recipient from Bioclinical Sciences, and 1 recipient from Social Gerontology.

Remark: The scholarship recipient is required to report to the scholarship committee 14 days in advance before leaving for The Kingdom of Thailand for any reason (e.g. study/research abroad) if the planned travel is 4 weeks or more.

3. Regulations and Conditions

3.1 Students will be exempted from tuition fees for the 1st semester until the completion of degree requirements.

3.2 Recipients who violate the contract of agreement* e.g. withdrawing from field of study, or failure to present during academic semester progress meetings with scholarship committee are required to pay in full, the amount of tuition fee accrued including interest* which is calculated as the academic semester/year since obtaining the tuition fee exemption until the academic semester/year that the recipient withdraws from their field of study.

3.3 The recipient must accrue a minimum of 35 volunteer hours per semester and must show documentation to the committee review at every semester to maintain eligibility.

3.4 The recipient must submit grades for each semester to the scholarship committee within the deadline announced by the Office of International Affairs. Academic achievement (GPA) should be no less than 3.25 for Master's degree and no less than 3.50 for Doctoral degrees.

3.5 The recipients who study in the master's programs, are required to have at least 1 national or international thesis publication that must be published in the database of TCI-1 / ISI / Scopus. For recipients who study on the doctoral level, students are required to have at least 1 international thesis publication that must be published in the database of ISI / Scopus. Please be noted that the recipients studying in both master and doctoral programs are required to specify the grant support to be from "Chulabhorn International College of Medicine, Thammasat University" in your thesis when submitting for publication.

3.6 The recipient must report their graduation and show evidence of scholarship completion form, official transcript, and thesis publication to the committee within 30 days from graduation.

If the recipient does not meet the aforementioned qualifications, the committee will consider termination of the scholarship for the following semester. If the student is a recipient of a co-requisite scholarship through Thammasat University's International office, that student will lose eligibility to obtain living expenses as outlined by the university.

Application Timeline

Semester	Opening	Closing	Announcement
1	Today	31 May 2021	25 June 2021

* Please see the terms of conditions of all CICM scholarships for clarification.
