

# ASEAN GASTRO 2022

## EXCELLENCE, SHARE AND ADVANCE

THE ASEAN GASTROENTEROLOGY CONFERENCE (IN PERSON AND VIRTUAL)

The Pullman Bangkok King Power Hotel, Bangkok, Thailand

# November 24-26, 2022

Nov  
24

**Congress Day 1:**  
THURSDAY, November 24, 2022

8.20-8.30 Welcoming speech

● **Review of International clinical practice guidelines**

8.30-8.50 Clinical significance of the Chicago classification 4.0 (Sutep Gonlachanvit, Thailand)

8.50-9.10 The Maastricht VI Consensus (Peter Mallertheiner, Germany)

9.10-9.30 Consensus statements and recommendations on the management of GERD in ASEAN (Goh Khean Lee, Malaysia)

9.30-9.50 FMT and Global Microbiome Conservancy (GMBc) (OpenBlome team, US)

9.50-10.25 Special lecture: Clinical applications of gut microbiota (Francis Chan, HK)

10.25-10.40 BREAK

10.40-12.00 **H. pylori and Gastric cancer session**

Moderators: Francis Mégraud (France) and Muhammad Millahussurur (Indonesia)

Global prevalence of *H. pylori* infection (Varocha Mahachai, Thailand)

*H. pylori* and the pathogenesis of gastric cancer (Yoshio Yamaoka, Japan)

Risk stratification for gastric cancer: Before and after *H. pylori* eradication (Jaw-Town Lin, Taiwan)

Update on management of gastric cancer (Jae Gyu Kim, Korea)

Panel Discussion and Q&A

● **Symposiums**

12.00-13.00 Current innovations and future trends in GI endoscopy (Olympus)

Moderators: Varocha Mahachai (Thailand) and Seigo Kitano (Japan)

Therapeutic value of ERCP for acute cholangitis: Timing is everything (Palommatat Bhanthumkomol, Thailand)

Recent updates in advanced GI endoscopy (Thawee Ratanachu-ek, Thailand)

Panel Discussion and Q&A

13.00-14.00 New development on management of acid-related upper GI diseases in ASEAN (Takeda)

Moderators: Somchai Leelakusolvong (Thailand) and Jose D. Sollano (Philippines)

Role of PCABs in the treatment of erosive esophagitis (Supphamat Chitmakorn, Thailand)

Pharmacology and clinical experience with PCABs (Kentaro Sugano, Japan)

Panel Discussion and Q&A

14.00-14.15 BREAK

14.15-15.15 Improving your daily clinical practice in upper GI diseases (Meiji and Farnaline)

Moderator: Ratha-korn Vilaichone (Thailand)

New mucoprotective drug for management of gastrointestinal diseases (Monthira Maneerattanaporn, Thailand)

*H. pylori* eradication in ASEAN (Duc T. Quach, Vietnam)

Q&A

15.15-15.45 MR enterography: Applications, techniques, and imaging findings (Unda Brown, Thailand)

15.45-16.15 Clinical Approaches to the management of obesity: Endoscopy vs surgery (Suthep Udomsawaengsup, Thailand)

Nov  
25

**Congress Day 2:**  
FRIDAY, November 25, 2022

8.30-9.40 Esophagus and stomach diseases

Moderators: Jaw-Town Lin (Taiwan) and Jae Gyu Kim (Korea)

Management of refractory GERD (Jose D. Sollano, Philippines)

Novel management of functional dyspepsia (Somchai Leelakusolvong, Thailand)

Key new concept in Barrett's esophagus (Kentaro Sugano, Japan)

Panel Discussion and Q&A

9.40-10.10 Management of chronic gastritis and precancerous conditions of gastric cancer (Otsuka)

Speaker: Rapat Pittayanon, Thailand

10.10-10.25 BREAK

10.25-11.35 Gut microbiota: Towards clinical revolution

Moderators: Pinit Kullavanijaya (Thailand) and Yoshio Yamaoka (Japan)

The Human Gut Microbiome: Controller for wellness and diseases (Muhammad Millahussurur, Indonesia)

Gut microbiome: Relationships with GI cancers and opportunities for therapy (Andrew Chan, Harvard University, US)

Fecal microbiota transplantation: An update on clinical practice (Ratha-korn Vilaichone, Thailand)

Panel Discussion and Q&A

11.35-12.05 Optimizing management for mild to moderate UC in the era of stride II (Ferring)

Moderator: Julajak Umsirivilai (Thailand)

Speaker: Leung Wai-Keung (HK)

● **Symposiums**

12.05-13.05 New technology in GI endoscopy: Tips from the Experts (Fuji)

Moderator: Parit Mekaroonkamol (Thailand)

Advances in diagnosis and management of pancreatic cystic lesions (Parit Mekaroonkamol, Thailand)

Time to move forward for image-enhanced endoscopy (Ting Leong Ang, Singapore)

13.05-14.05 Interplay and cooperation of *H. pylori* and gut microbiota for management of clinical diseases (DKSH)

Moderator: Varocha Mahachai (Thailand)

*H. pylori* prevalence, diagnostic, standard treatment and the side effects including probiotics benefits in the prevention of side effects (Francis Mégraud, France)

Probiotics and treatment of GI tract diseases (Monthira Maneerattanaporn, Thailand)

14.05-14.20 BREAK

14.20-15.20 Rising stars awards in Asia-Pacific 2022 (5 persons; 12 min/person)

Moderators: Andrew Chan (Harvard University, US) and Ratha-korn Vilaichone (Thailand)

15.20-16.30 Hot topics in GI diseases

Moderator: Nonthalee Pausawasdi (Thailand)

Management of patients on anticoagulants and antiplatelets during acute GI bleeding (Francis Chan, HK)

New trends in treatment of UGI bleeding (Nonthalee Pausawasdi, Thailand)

Capsule endoscopy: Current roles and future expectation (Rome Julabha, USC, US)

Panel Discussion and Q&A

Nov  
26

**Congress Day 3**  
(Local Meeting):  
SATURDAY, November 26, 2022

8.30-10.20 Choosing the right therapy in Liver diseases

Moderator: Chinnawat Suthivana (Thailand)

Key new concepts in cirrhosis (Sakkarin Chirapongsathorn, Thailand)

Screening and treatment of varices (Sith Siramolpiwat, Thailand)

Alcohol-associated liver diseases (Chanunta Hongthanakorn, Thailand)

Drug-induced liver diseases (Soonthorn Chonprasertsuk, Thailand)

New paradigm in management of NAFLD (Supasri Selhasine, Thailand)

Panel Discussion and Q&A

10.20-10.35 BREAK

10.35-11.05 Laryngopharyngeal reflux: Assessment clinical course and treatment (ATB)

Moderator: Somchai Leelakusolvong (Thailand)

Speaker: Phurich Praneetvatakul (Thailand)

11.05-12.00 New Era in Advanced GI Endoscopy

Moderator: Thawee Ratanachu-ek (Thailand)

Emerging role of artificial intelligence in GI endoscopy (Ting Leong Ang, Singapore)

Endoscopic closure devices for clinical practice (Thawee Ratanachu-ek, Thailand)

12.00-13.00 Current approaches for optimizing management of IBD (Takeda)

Moderators: Pises Pisespongsa (Thailand) and Bubpha Pornthisarn (Thailand)

Role of biologic therapy in IBD (Julajak Umsirivilai, Thailand)

Case challenge (Sattimai Anwan, Thailand)

13.00-13.30 Challenges in Extra-esophageal GERD (RB)

Moderator: Soonthorn Chonprasertsuk (Thailand)

Speaker: Navapan Issariyakulakarn (Thailand)

13.30-14.00 Liver transplantation: What gastroenterologists need to know? (Pongphob Intaraprasong, Thailand)

14.00-14.15 BREAK

14.15-14.40 Management of acute pancreatitis: Conservative treatment and step-up invasive approaches (Palommatat Bhanthumkomol, Thailand)

14.40-16.00 Best management of digestive disease cancers

Moderator: Bubpha Pornthisarn (Thailand)

Hepatocellular carcinoma (Chalermrat Bunchorntavakul, Thailand)

Cholangiocarcinoma (Pongjarat Nunanan, Thailand)

Malignant pancreatic diseases (Bubpha Pornthisarn, Thailand)

Small bowel cancer (Petcharee Polmanee, Thailand)

Panel Discussion and Q&A

16.00-16.05 Closing remark
